

**NEWS RELEASE FROM PERTREE CONSTRUCTORS, INC.**

December 27, 2011

**PERTREE CONSTRUCTORS, INC.** has completed tenant improvement work for Taurus Southern Investments at its Discovery Tech Center II building located in the Central Florida Research Park. The work was completed for a new tenant, Innovative Medical Device Solutions, which is occupying 12,300 square feet of first generation space in the building.

The project involved creating space for prototype development, product familiarization, a testing room, office area and employee welfare. Work included installation of new interior walls/windows, wall and floor coverings, HVAC installation and fire protection modifications. Mr. Mark Garrett was the Project Superintendent for the project and Mr. Brad Landon was the Project Manager.

**PERTREE CONSTRUCTORS, INC.** is a general contracting firm based in Orlando that has been in business for more than 23 years. The company specializes in commercial, industrial and institutional building programs with experience in both free-standing projects and tenant improvement/interior renovation work.
