

NEWS RELEASE FROM PERTREE CONSTRUCTORS, INC.

January 23, 2012

PERTREE CONSTRUCTORS, INC. has completed construction of a new operations building for the Keene's Pointe Community Association. Keene's Pointe is an upscale gated community in Windermere, Florida which offers single-family, detached housing opportunities in 14 distinctive neighborhoods.

The new HOA operations building contains 3,600 square feet and was constructed using conventional wood framing and a standing-seam metal roof system. The project value was approximately \$400,000 and the building was completed in September, 2011. Mr. Doug Ross was the Project Manager/Project Superintendent for Pertree Constructors.

PERTREE CONSTRUCTORS, INC. is a general contracting firm based in Orlando that has been in business for more than 23 years. The company specializes in commercial, industrial and institutional building programs with experience in both free-standing projects and tenant improvement/interior renovation work.
