NEWS RELEASE FROM PERTREE CONSTRUCTORS, INC.

December 27, 2011

PERTREE CONSTRUCTORS, INC. has completed tenant improvement work for Taurus Southern Investments at its Discovery Tech Center II building located in the Central Florida Research Park. The work was completed for a new tenant, Innovative Medical Device Solutions, which is occupying 12,300 square feet of first generation space in the building.

The project involved creating space for prototype development, product familiarization, a testing room, office area and employee welfare. Work included installation of new interior walls/windows, wall and floor coverings, HVAC installation and fire protection modifications. Mr. Mark Garrett was the Project Superintendent for the project and Mr. Brad Landon was the Project Manager.

PERTREE CONSTRUCTORS, INC. is a general contracting firm based in Orlando that has been in business for more than 23 years. The company specializes in commercial, industrial and institutional building programs with experience in both free-standing projects and tenant improvement/interior renovation work.

NEWS RELEASE FROM PERTREE CONSTRUCTORS, INC.

February 6, 2012

PERTREE CONSTRUCTORS, INC. has been selected to provide general contracting services for the construction of a new aircraft hanger at the Daytona Beach International Airport. Upon completion, it will become the largest hanger located at the county-run airport. The hanger will be owned by Brown & Brown Insurance and will have the capability to house five corporate aircraft. Brown & Brown Inc. markets and sells property and casualty insurance as well as employee benefit products and services. The company operates from 200 locations in 38 states and is an industry leader with more than 68 years of proven experience.

The new hanger will contain 32,000 square feet of space, a 25 foot ceiling height and a clear span of 198 feet. Construction elements will include a grade level concrete floor slab with a pre-engineered metal building envelope by Butler Manufacturing Company. The hanger will also contain offices, a break room and lounge areas. Project completion is scheduled for May, 2012.

PERTREE CONSTRUCTORS, INC. is a general contracting firm based in Orlando that has been in business for more than 23 years. The company specializes in commercial, industrial and institutional building programs with experience in both free-standing projects and tenant improvement/interior renovation work.
